Dear Class of 2007,

It has been a great honor for me to have been your principal for this year. You are an outstanding group of young people whom we are proud to call "Timberwolves"! You have continued to make the halls of High School North a wonderful place to learn and grow.

I want to take this opportunity to thank all of the students, faculty, community members, business leaders, school board members, and administrators who have worked hard to make this evening possible for the class of 2007. I would like to extend a very special thank you to Mr. Richard Bryant, Mountain Laurel Center CEO, for his support of the North High School.

Students, I wish you much success as you move through the next phase of your life. I hope you have fond memories of our High School. As you transition into your adult life, strive to give 100% in all you do and be a positive influence on those around you. Please accept my most sincere congratulations and best wishes for you, the Class of 2007.

Sincerely,

Stuart Tripler
Acting Principal
